New in our cancellation conditions :

More flexibility. Fewer asterisks !

Le Sérignan Plage adapts its cancellation conditions for reasons related to the Covid-19, thus in case of:

- Border closures.
- Administrative closure of the campsite.
- Customer placed in quarantine on arrival or when he/she returns to home country.
- Travel restricted to a number of kilometres meaning he/she cannot come to the campsite.

A credit note valid for 2 years or a refund of the corresponding amount, minus the cost of the cancellation insurance if such a subscription has been taken out will be issued by the campsite.
